A very humble plea for donations

As you may have noticed there have been new and expensive PA systems installed in both Bourne and Deeping at a cost of £7000+. This is £2000 over budget. Any donations however big or however small would be most gratefully received toward the cost of this most necessary equipment. Thank you and May God bless you
Enormous thanks to the person who donated £50 and all who have donated so far.

Please Sponsor a Seminarian

training for the priesthood in a poor country. At the moment Missio in England and Wales is helping the training of future diocesan priests in Kenya, Malawi, Nigeria, India and Sri Lanka. If you would like to sponsor a seminarian by donating £1.37 per day (or £42 per month), please let me know so that together we may support the many vocations in these countries. I have just sponsored one myself. The seminarian allocated to me will write and keep in touch until his ordination to the priesthood. With your help we hope no vocation will be discouraged or turned away. For further details, please read the Society of St Peter the Apostle leaflets in the porch or visit our website which is: www.missio.org.uk
 Thank you very much to everyone who is able to help.
 Fr Clement Orango, Missio Director, Nottingham Diocese.

Birthday Masses

The last Mass of every month will be celebrated for all those who have had a birthday during that month.

Burn's Night Supper

Tickets for this event will be available at all Sunday masses. They are £10 each. If you are at the Deeping mass, see Sandra Buck. At Bourne, someone will be selling them on the way out. The supper will be held on Thursday 25th January. Call Peter on Bourne 440701 for tickets if not at mass.

St. Basil the Great and St. Gregory of Nyssa

were brothers, both of them bishops and Church Fathers. While Basil is considered the founder of monasticism in the East, Gregory seems to have been married, at least for a short time before the death of his wife. Both had such great respect for their eldest sister that Gregory went so far as to write a dialogue in which he cast her as his teacher—a shocking thing for a bishop to say of a woman at the time. It was Macrina whose disapproval of his worldly life convinced Basil to dedicate himself to the service of Christ and his Church. Together with Basil's dearest friend, **St. Gregory Nazianzen**, they are called the Cappadocian Fathers and stood powerfully against the Arian heresy.
